CONCLUSION AND REFERENCES

8.1 CONCLUSION

It has been a great pleasure for us to work on this exciting and challenging project. This project proved good for us as it provided practical knowledge of not only programming in PHP application and no some extent Windows Application and MYSQL, but also about all handling procedure related with "Sports equipment".

It also provides knowledge about the latest technology used in developing web enabled application and client server technology that will be great demand in future. This will provide better opportunities and guidance in future in developing projects independently.

Our project sports Equipment like bat, ball, football,Sport shous and etc. shop is website useful to users who want to shop. The customers will need provide to any details before cosmetics a product. It also provides system security using username and password facility. Our project is the best facility provide.

The main purpose of this website is to provide easy assistance to both the customer as well as the sports Equipment shop owner with proper database and information. We want to provide a secure experience of online shopping to customer.
